CLUBHOUSE REPORT

The landscaping of the Clubhouse is planned to start soon, so that it will be ready for the AIBT in March. Fundraising for this is needed to proceed. One member contributed \$10k towards the project and a further \$15k is required.

The liquor license for the clubhouse is still delayed. We hope to hold a Squid Comp when we get notification of the license: so keep your eyes out for details....hopefully that will be soon! Meanwhile we are gearing up for the Betta Billfish Bonanza in mid-October.

ULTRALIGHT COMP.

The Ultralight fishing comp was held in August with great success for Junior anglers. This was the first time in 8 years the EGFC have held the event. There were 38 anglers registered with 14 teams. There are several pending state and national records from this competition, some by junior anglers.

Results of the Ultralight competition are on the EGFC website.
