Prior to AIBT will be Gamex: Western Australia's premiere game fishing event. March 10th -17th. Over 40 different species to target on all IGFA line classes. Boat loads of prizes & cash, plus information sessions, rigging demonstrations, social evenings & great fun.

Almost every year there are state, national and world records broken by the various teams competing for the 20 sections over the 6 days of fishing.

In 2010, 40 of the 65 boats that targeted billfish raised 1325 billfish and tagged 446! (Mostly black marlin)
